

## VERDICT OF SUICIDE FOR VIRGINIA NEGRO

Victim Wanted in Alexandria on Murder Charge.

THE HERALD BUREAU.  
R. E. Knight & Son,  
621 1/2 King Street.

Alexandria, Va., Sept. 11.—The body of Frank Nelson, colored, who on August 21 last killed his wife by cutting her throat from ear to ear with a razor at their home near Arlington, Alexandria County, and who ran away following the murder, was found today in the woods just west of Virginia Highlands, Alexandria County. There was a bullet hole in the skull. In the left hand was an oyster shucking knife, and near the outstretched right hand was a revolver.

The body was found by a scouting party of District militia under Lieut. Rees and Lieut. Col. Anton Stephan, Third Infantry, who was directing the movements of the troops.

Several hours after the finding of the body it was identified and removed to Demeine's undertaking chapel in this city.

A coroner's jury summoned by Dr. R. J. Yates, coroner, which was attended by Commonwealth's Attorney Frank T. Ball, for the State, at 5 o'clock this afternoon returned a verdict to the effect that Nelson came to his death by a pistol shot wound, self-inflicted, with suicidal intent.

The authorities of Alexandria are of the opinion that the body had been in the spot where it was found since August 23, that being the last day on which Nelson was seen alive.

Nelson was being closely pursued by officers of Alexandria County and a posse of citizens of that county, and it is supposed that he realized that escape was almost impossible and decided to end his trouble by shooting rather than take a chance of sitting in the electric chair for wife murder.

N. A. Rees was foreman of the jury.

Mrs. Susan A. Curtin, widow of J. R. N. Curtin, died shortly after 3 o'clock this morning at the home of her daughter, Mrs. Mitchell W. Hancock, of Braddock, Alexandria County. Her death followed a month's illness.

Mrs. Curtin was 66 years old and is survived by three daughters, as follows: Mrs. Mitchell W. Hancock, Mrs. Lawrence Rishell and Mrs. Sidney A. Main.

Her funeral will take place at 3 o'clock Wednesday afternoon from her daughter's residence, and funeral services will be conducted by Rev. E. B. Jackson, D. D., pastor of the First Baptist Church.

With an attendance of more than 2,000 pupils the public schools throughout the city reopened for studies today. Most of the day was consumed in dividing the scholars into classes.

The executive committee in charge of the arrangements for the Gypsy Smith, Jr., evangelistic services has extended an invitation to the various patriotic societies of the city to attend the services which will be held in the big tent Thursday night.

Judge J. B. T. Thornton presided this morning at the opening of the Septem-

ber term of the Circuit Court for this city. The docket was called and cases set for trial.

The September term of the Corporation Court, Judge L. C. Barley, presiding, convened this morning, but was immediately adjourned. Judge Barley going to Woodstock to sit in a case for Judge T. W. Harrison.

Funeral services for J. Brooke Arnold, who died Saturday, were held this afternoon at his late home, 222 North Patrick street, and conducted by Rev. J. W. Duffey, D. D., pastor of the M. E. Church South.

Thomas Slason, living at 717 South Lee street, was treated at the Alexandria Hospital yesterday for burns on the face, chest and arms, said to have been caused by the overturning of a pot of hot coffee from a gas stove.

Funeral services for William A. Lewis, who died Sunday night at his home at Arlington, Alexandria County, will be held at 2 o'clock Tuesday afternoon at his late home and burial will be made in Oak Hill Cemetery, Falls Church.

Members of the board of trustees, staff physicians, nurses and others will attend the cornerstone-laying of the new Alexandria Hospital at 5 o'clock Tuesday afternoon.

A fine of \$50 was imposed in the Police Court today in the case of Harold W. Sotton, of Washington, charged with the reckless driving of an automobile. His automobile yesterday afternoon collided with a horse and buggy driven by Dominick Nardinocchi, injuring Nardinocchi's wife on the head when she was thrown from the buggy.

In the Circuit Court for this city today the will of the late C. H. McKnight was admitted to probate and his brother, W. P. McKnight, qualified as executor.

Miss Lucy A. Petty, of Friendship Council, No. 25, has gone to Newburg, N. Y., to attend the annual meeting of the National Council of the Sons and Daughters of Liberty.

International law  
FIRMER AFTER WAR

"International law will stand on a firmer basis after the European war, despite the floundering and buffeting it has received at the hands of several of the belligerent nations, than ever before, according to Charles Warren, Assistant Attorney General of the United States and prominent as a student of international legal questions.

"The very violations of international law which the last two years of the world war have witnessed will make the establishment and maintenance of a stable international code imperative," said Mr. Warren today. "The experiences of people during periods of lawlessness teach them to respect a fixed code; in fact after experiencing unbridled law-breaking they insist that some law be respected. This history of every frontier has been that because of the very likelihood of general law breaking, some sort of code has been enforced with extraordinary vigor."

## DEFENDERS OF VERDUN WEEP DURING SPEECH

Lloyd-George Moves Officers to Tears with Oratory.

(By the International News Service.)

Paris, Sept. 11.—While a cannonade raged overhead, Lloyd-George, the British war minister, last week delivered a speech in the case of the Verdun citadel which moved the defenders to tears. He was the guest of Gen. Dubois, who with other mud-stained officers had come from the trenches to listen to the British minister's oration.

"None of the military feats with which the French history is filled," said he with a husky voice, "shows more than does the defense of Verdun the highest qualities of the French army. This victorious resistance will be immortal because Verdun not only saved France but our great common cause and the whole of humanity."

"Upon the heights surrounding this old citadel the evil power of the enemy has been broken like a furious sea against a granite rock. I am deeply moved to come in contact with this sacred soil. In the hearing of the British Empire I express their admiration. With me they bow their heads before your sacrifices and glory."

After a dramatic pause during which all heads were bent, the British war minister raised his hand with a gesture with a horse and buggy driven by Dominick Nardinocchi, injuring Nardinocchi's wife on the head when she was thrown from the buggy.

ARMOR PLATE HEARING  
TO BE HELD TOMORROW

A hearing will be held by Secretary of the Navy Daniels tomorrow on a site for the location of the government \$11,000,000 steel armor plate plant, whose construction was authorized by Congress.

Many places are to be represented at the hearing, but it is accepted that coastal points, situations contiguous to the Great Lakes and possibly cities east of the Alleghenies will be eliminated. Any community, however, will be permitted to present its special claims.

Matters to be taken into consideration in selecting the site will be its closeness to material, its labor market, its transportation facilities and its situation, which must be in the interior, safe from attack or destruction by an enemy in time of war.

## Political Notes

New York, Sept. 11.—George W. Perkins rushed to the rescue of National Chairman Willcox today. Replying to allegations that Willcox has conducted such an unsatisfactory campaign that the "old guard" persists in demanding his retirement, Mr. Perkins said: "The campaign is getting on splendidly. The fight is under way only five or six weeks. In a temperature ranging from 90 to 100 degrees it seems to me that the work done has been satisfactory."

New York, Sept. 11.—Republican leaders decided today that the Presidential electors of New York State will be chosen by the State committee, probably at Saratoga, about October 1.

Gov. Whitman and his managers analyzed reports from all districts today and concluded that if the vote at next Tuesday's primaries aggregates 225,000, Whitman will get at least 200,000. The most that was conceded to William M. Bennett, his sole rival, was 25,000.

New York, Sept. 11.—I shall be nominated and shall defeat Henry Cabot Lodge for United States Senator," asserted John F. Fitzgerald, of Massachusetts, talking to National Chairman McCormick and newspaper men today.

"Wilson will carry Massachusetts. There are 30,000 railway operatives there. To a man they will vote for Lodge. I am not talking much about the eight-hour law. He is confining his speeches to dry statistics as to how the North pays the bulk of the income tax."

New York, Sept. 11.—Maryland will go Republican," said James A. Gary, of the Maryland Hughes League, at Republican national headquarters today.

Gen. Felix Angus, Representative Sidney E. Mudd, and other Marylanders corroborated Gary's statement.

"The Wilson eight-hour law will be of advantage to the plutocrat," said Mr. Gary, "rather than to the wage earner."

New York, Sept. 11.—Fifty representative progressives issued a letter for the National Committee and election of Gov. Whitman today.

Accompanying a copy of the "Whitman White Book," which was sent to the 4,000 Ball Moosers enrolled in the State, was a note reading:

"Believing that Mr. Whitman has given the State a progressive administration, and one much to advance progressive principles, we have decided it is much better to entrust the government to a man of this type than to a man of this type, than to try the experiment of again entrusting it to an administration avowedly backed by Tammany Hall."

St. Louis, Mo., Sept. 11.—Vice President Marshall had so far recovered from the illness which kept him in bed all Sunday that he will leave St. Louis this afternoon for Joplin, Mo. The Vice President will speak at a Democratic rally there tomorrow.

Columbia, S. C., Sept. 11.—Partisans of Gov. Richard I. Manning and former Gov. Cole Blaise both predicted victory for their candidates in tomorrow's "run over" election. Nomination is equivalent to election.

Chicago, Sept. 11.—The full strength of the National Woman's Party in its fight against President Wilson because of his stand on suffrage is now in the field. The rear guard left early today for the Far West, where most of the battle will be fought.

Miss Marguerite Schuyler, of Portland, Me., left for Cheyenne to take charge of the Wyoming campaign, and Mrs. Sarah Grant, of St. Paul, Minn., went to Reno to direct the Nevada operations.

New York, Sept. 11.—Indiana is safe for Wilson," said Senator Thomas Taggart today at Democratic national headquarters.

"I do not regard the State as in doubt. After the Marshall notification next Thursday the campaign will be hot," he added.

Chairman McCormick will stop at Indianapolis next Thursday for a conference with leaders, and from there will go to Chicago.

## CLERGY ASKED TO RENDER A VERDICT

The Decision to Be Made in Two Weeks—All Ministers Are Eligible.

To more forcefully illustrate to the public the wonderful value of Plant Juice as a tonic and remedial agent, a novel plan has been decided upon. This will be in addition to the introductory work in progress daily at The People's Drug Store, corner of 7th and E. sts. n.w. It is proposed to submit the remedy to a most convincing test. The plan is to have a number of public men of unquestioned reputation pass judgment upon it. The clergy of Washington and in the territory immediately surrounding Washington is, to this end, requested to act as the judges of Plant Juice.

"We believe Plant Juice is the greatest remedy ever sold," said the Plant Juice man at The People's Drug Store, corner of 7th and E. sts. n.w., yesterday. "It is new and no tonic has ever taken so quick and lasting a hold as it has where ever introduced. We have submitted to tests similar to the one we now propose and if we do not get a verdict highly favorable to Plant Juice from the clergy of this District we will be greatly astonished."

"Each minister in Washington or within the immediate vicinity of the city is cordially invited to call on the Plant Juice man at The People's Drug Store, corner of 7th and E. sts. n.w., and secure any quantity of Plant Juice free of charge. The only requirement is that at the end of two weeks he will make a frank statement of the results he has had from the use of Plant Juice and his opinion regarding it.

"Many of this exalted profession are sufferers from nervous debility and stomach disorders and we assure those that have such symptoms as indigestion, sleeplessness, depression of spirits, lack of vitality, headaches, dull pains in the back or sides, cold feet, poor circulation, constipation, or that 'run down' feeling, that they will find immediate and lasting relief in Plant Juice. It is the greatest of all specifics for general debility, stomach troubles, kidney, liver and blood ailments, being manufactured from medicinal roots, herbs, barks and berries. It repairs organic weakness and stimulates and builds up the entire system."

The Plant Juice man is at The People's Drug Store, corner of 7th and E. sts. n.w., where he is daily meeting the local public and introducing and explaining the merits of this remedy. Free samples given—Adv.
